## 6. General Information

### Communication

It is possible to get a local number at the airport right after the luggage area and before exiting the airport or in one of the agencies of a telecom company (SIM card for about XOF 1,000 i.e. EUR 1.50/USD 1.80). You will need to present a passport to get a number.

### Time

Senegal is on Coordinated Universal Time (UTC).

### Currency

The unit of currency is the CFA Franc (XOF). You can find many ATMs in the city (mainly in banks and some hotels) and most of the hotels and some restaurants accept credit cards. US dollars and Euros are the most easily changed into Franc CFA.

### Vaccination Requirements

A valid yellow fever vaccination certificate **may be required** to enter Senegal for certain countries. Though the customs agents are not so strict about it, we recommend you bring your international vaccination certificate. Please ensure that you have the appropriate and necessary vaccinations including documentation before you travel.

## Safety

Dakar is a safe city. However, use common sense measures to avoid attracting unnecessary attention to you and your valuables.

## Electricity

The standard voltage in Senegal is 230 volts. The outlet is the same type used in continental Europe and many other countries.

## Emergency phone numbers

- Police 17
- Firefighters 18
- Medical Emergency Service (+221) 33 889 15 15

## Questions / Infos

Please visit the official ESEF2018 website to get updated information on the event: <http://esef2018.org>

For any other question, do not hesitate to send an e-mail to [contact@ESEF2018.org](mailto:contact@ESEF2018.org)
